with "the 90th year of this century passed away at mid-night December 3t, 1898." A third-grade schoolboy would not fall late this error. Counting 100 we must begin with I and count to 10, adding each succeeding 10 until we have 100, which, multiplied by 18 gives us 1800. To make 1808 we must add 98 to 1800. How can the writer referred to get 90 out of 98 as the above quotation indicates and then say: "the figures always Indicate past Years?" On the same principle the writer would accept \$08 for \$99. Again he says: "We are not in the year

The company has accured from 12,000 consideration in the eyes of the repreto 15,000 acres of timber land, by pur- sentatives who have been sent here for chase and option, and will establish a that purpose. The sole topic of conversation is the succession to Senstor Quay.

on the line, free from earth covering, prepared to vote for a Democrat for United les, etc. and limestone deposits with a 60 foot un- States Senator, the speech of Representacovered face at the outeropping, on live Koontz at a caucus of bolters and which developments will be made. The Denocrats, called for the purpose of proright-of-way will be forfelted unless testing against a ruling by the Lieutenoperations are begun within three years, aut-Governor, is pointed to, "He is," but it is the intention of the company to | said Mr. Koontz, referring to the Democratic candidate, 'one of the ablest lawthe weather will permit, and the grading yers in the Sinte of Pennsylvania, and and construction will follow as speedily the Republican party has no right to go as practicable. The parties at the head sneaking in the dark when such men are presented."

This declaration caused consternation a the ranks of the "bolters," who were dismayed to have such high encomium passed upon the Democratic candidate by one of their steering committee, and not a word in commendation of John Dalzell. C. W. Stone, John Stewart or the other eminent gentlemen for whom the 'bolters' have been voting for Senator. Flinn and Martin exchanged significant glances while the Democrats applanded vigorously when Mr. Koontz resumed his seat. A straw indicates the way the wind blows. Koontz may return to his con-

It is generally believed here that Mr. Koontz's colleague would like to support | ses, on Quay, but Mr. Kendall hovers constantly in Koontz's shadow, and in the hope of Saturday, February 18, 1899, escaping the opprobrium of being a "Me-Too," casts his vote for C. W. Stone

for Senator. The action of Senator Weller, in voting for the confirmation of Attorney-General Eikin, was a blow to the "bolters," that even "Boss" Fling has been unable to pronounced enlogies over the political remains of Senator Boyd, of Fayette, and buildings the other Democrats, who voted for Eikins' confirmation, but he has refrained from denouncing Senator Weller in public. Weller, it is said, formed an acquaintance of "Boss" Martin, when the Philadelphia chiofiain was Imbibling the waters of Bedford Springs last summer, and listened to the cooing of the gentle David under the shade of the crimsor maples until he is willing to run counter to the voice of his constituents at a nod

Perhaps the greatest mechanical feat of from the enomies of the Republican

parently shot to pieces at Santiago. It the deadlock will be broken. Wanny has gone back complished. Diseases of the blood, to Philadelphia to spend Sunday, but will stomach and liver frequently wreck the return on Monday to assist the Demohealth so that there appears to be no crats smash the "machine" that has givchance of recovery. But when Hostetter's en him so many sleepless nights and Stomach Bitters is taken, the disordered throttled his ambition to sit in the United

Political Notes.

The names of the anti-caucus Republicans who are struggling for the overthrow of boss rule are published in the

and twelve Republicans out of one hundred and sixty-four have declared by ballot that he is their choice. Is it reason able for them to give way to fifty-two Republicans and eighty-four Democrats? No sane man would think so. Let the Vick's Garden and Floral Guide also fight for Quay be fought out if it takes

which strongly opposed him, claimed the result as "a victory for the people," and John R. Scott, "a rebuke to the bosses." And now Mr. Lewis, who defeated him at the primaries, is the only one of the three Bradford Representatives who supports Quay. In this, he contends that he is carrying out | Estate of Mary Seese, laie of Paint township | Some seet county, Pa., dec'd. the wishes of a lar e majority of his con-county convention. His colleagues, Messrs. Edmiston and Manly, though instructed for Quay by the convention, remained out of the cancus, and are count- executors. ed as following Boss Martin in opposition

NEW YORK TRIBUNE.

Recognized as a Leader of Republican Opinion.

The New York Tribune offers to th ablic a newspaper which is absolutely opresentative of the best opinion of the epublican party on all national issues is dignified, strong, complete and pa The Daily Tribune to \$10 a year. The Weekly, \$1, but can be obtained, in conjunction with various local papers, on more advantageous torms. The Semi-weekly is \$2 a year.

A Newspaper and Magazine both.

The Semi-weekly Tribune, printed Tuesdays and Fridays, is one of the best general newspapers in the country for a wide-awake farmer, professional man, merchant, manufacturer or mechanic. It saves the necessity of buying other newspapers. It supplements admirably a local daily manual neople take it in place of cal daily: many people take it in place of The agricultural page will contain this year, in addition to regular features, a good policy to look around and find out weather review, many descriptions of the citial results obtained on small farms,

Stories of the War With Spain.

neu and live-stock raisers.

During each week the reader will find column of "Questions and Answers, tters from correspondents in London nd Paris; a page devoted to science and nechanics; home interests and othe things which interest women, including the "Tribune Sunshine Society;" some good games of checkers; a series of thrillries of actual experiences in th war with Spain, written by soldiers and sailors; and advance information of new

Market Reports the Standard.

their present high standard. It is the in-tention of The Tribune at all times to add he'n of greater value. The finest com-pliment paid to The Semi-weekly Trib ne is the fact that it enjoys the subscrip tions of a large number of merchan dairymen and farmers who disagree its political sentiments, but who find its eccurate market reports essential to the proper conduct of their business. It is one buys or sells country produce. a week there is a special market article

Pictorial Supplement.

With Friday's number there is an Ilustrated Supplement, 20 to 24 pages, orinted on specially fine paper, full of lelightful reading, enlivened with from thirty to fifty half tone or other pictures. Every reader admits that this Supement is equal to a magazine in its con-nts, and better than a magazine in being quicker to lay before its readers per feetly fresh discussions of matters which are attracting attention. Sample conies elication. The Supplement contains tw pages of humor; a fascinating letter from Ex-Attache, a gentleman who has served noblemen from actual knowledge;

Any reader who may find it convenient to raise a club of subscribers for The Semi-weekly Tribune is invited to do so, As an evidence that the bolters are and to send to this office for sample cop-THE TRIBUNE.
